Catamount 1975

There's a brand new world around us.

There's a brand new world around us,
Lots of good news on the way,
And for each and every one of us,
It's a brand new day.

There's a brand new kind of meaning,
To the words that people say,
And for each and every one of us,
There is a brand new day.

When the sun sets in the evening,
There are people far away,
Who awaken the morning of a brand new day.

So say goodnight to all your friends,
And it is not hard to say,
When you know that come tomorrow,
It's a brand new day.

And if you're feelin' lonely,
Just look the other way,
'cause standing right behind you,
It's a brand new day.

And he's leanin' on your shoulders,
And there trying to say,
He's whispering softly in your ear,
It' a brand new day.

It's a brand new day,
It's a brand new day,
For each and every one of us,
It's a brand new day.

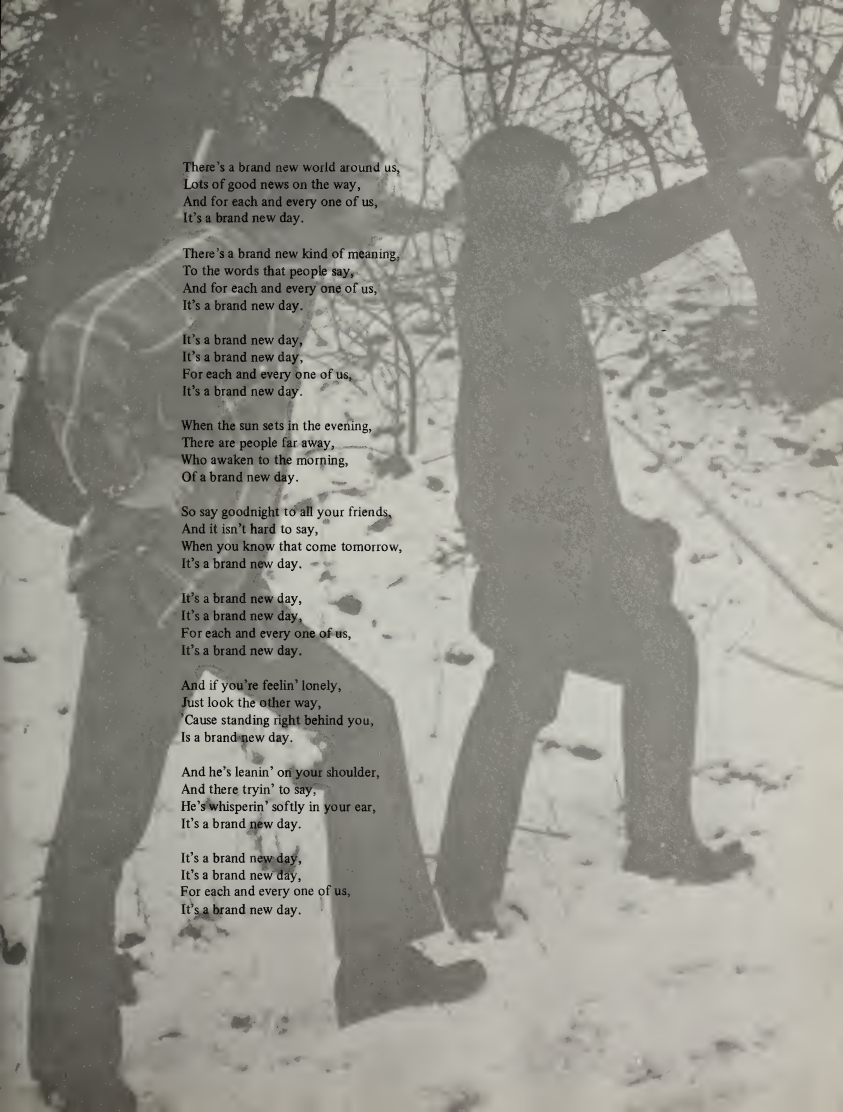
EPILOGUE



There's a brand new world around us,
Lots of good news on the way,
And for each and every one of us,
It's a brand new day.

There's a brand new kind of meaning,
To the words that people say,
And for each and every one of us,
It's a brand new day.

It's a brand new day,
It's a brand new day,
For each and every one of us,
It's a brand new day.

When the sun sets in the evening,
There are people far away,
Who awaken to the morning,
Of a brand new day.

So say goodnight to all your friends,
And it isn't hard to say,
When you know that come tomorrow,
It's a brand new day.

It's a brand new day,
It's a brand new day,
For each and every one of us,
It's a brand new day.

And if you're feelin' lonely,
Just look the other way,
'Cause standing right behind you,
Is a brand new day.

And he's leanin' on your shoulder,
And there tryin' to say,
He's whisperin' softly in your ear,
It's a brand new day.

It's a brand new day,
It's a brand new day,
For each and every one of us,
It's a brand new day.
